## SUMMARY

I am a dedicated and goal-oriented B.Tech student in Computer Science with strong skills in Java, HTML, CSS, and JavaScript. I have a passion for problem-solving, leadership, and continuous learning, demonstrated through my academic achievements and participation in Olympiads. I enjoy exploring journalism, traveling, and cooking, which reflect my curiosity and creativity. With hands-on experience in software development and machine learning, I am eager to apply my knowledge to real-world challenges.
